Sir:

This communication is in response to the Notice of Non-Compliant Amendment mailed January 5, 2009, sent in response to the Response (hereinafter "Response") to the Office Action of March 21, 2008 (hereinafter, "Action"), sent September 21, 2008.

Applicants have provided each claim with the proper status identifier. Specifically, the status identifier "Originally Filed" has been replaced with "Original." Applicants understand how these two very different terms could be confusing to the Examiner. Further, the identifier "Cancelled" has been replaced with "Canceled," although both are acceptable spellings of the same word.

Amendments to the Specification begin on page 2 of the Response. Amendments to the claims begins on page 4 of this Response. The Comments in response to the Office Action of March 21, 2008 begin on page 8 of this Response. An Abstract is attached as a separate sheet at the end of this Response.
